Master Instructor Utilization Plan

Controlled F.O.R.C.E. Certified Master Instructors (or Certified Instructors that are looking to advance to a master certification status) now have an opportunity to generate extra income and/or earn tuition-free admission to the U.S.N.S.T.A. Training Conference by scheduling and teaching a **One-Day End User Certification Course** to introduce New Students to the Controlled F.O.R.C.E. System and the U.S.N.S.T.A.

Details: One-Day Course -- Cost per Student: \$150

Certify New Students as End Users in:

1. Mechanical Advantage Control Holds™ (M.A.C.H.)
2. Takedowns and Handcuff Positioning
3. Team Arrest Tactics

Benefits to New Students:

1. Introduction to the Controlled F.O.R.C.E. System and the U.S.N.S.T.A. (both organizations are dedicated to improving and providing the best training possible)
2. Certification in 3 specific categories as an End User
 - a. Backed by Controlled F.O.R.C.E. and members of the U.S.N.S.T.A.
 - b. 2-Year End User Certification
 - c. CD-ROM End User Training Manual
3. \$150 discount towards Full Instructor Certification within 1 year of training
4. Improved Confidence in hands-on ability

Master Instructor Details:

Benefits for the Instructor:

1. Earn up to \$50 for every student taught

AND

2. Earn tuition-free admission to the U.S.N.S.T.A. Conference by
 - a. Training 20 Full Tuition Paying End Users by end of Fiscal Year 2007
 - OR** b. Referring 2 Full Tuition Paying Conference Attendees

3. Earn training credits toward renewing or receiving Master Instructor Certification
4. Assist in increasing the membership and knowledge base of the U.S.N.S.T.A.

Requirements:

1. Must have current certification status
2. Must be able to secure a conveniently located training facility for One-Day course
3. Must achieve satisfactory peer review (Controlled F.O.R.C.E. will collect After Action Reports from each student trained to evaluate instructor performance)
4. Must be willing to share experiences from the U.S.N.S.T.A. Conference with potential and trained students
5. Maximum Ratio: 1 Instructor / 12 Students

Other: Controlled F.O.R.C.E. will assist in the marketing of each course, but the most effective way to boost attendance is through Instructor word-of-mouth.

If you are interested in participating in this program please contact us at **630-365-1700**.

Sincerely,

Lorenzo Catanag
