*"I have been in law enforcement for 23 years. I have been a defensive tactics trainer for 16 years. I have taken many defensive tactics systems. **Controlled F.O.R.C.E.** has been in our basic recruit training since 1999. Their system has been the most consistent, effective, practical, and defensible system I have ever been trained in."*

**Sergeant Kristy Cross, Detroit Police Training Center**

## Training Synopsis

Controlled F.O.R.C.E. Inc. is a Self-Certified Woman-Owned Small Business (WOSB) specializing in Anti-Terrorism / Force Protection (AT/FP) Training, Consulting, and Management Services. We have been providing a low-liability method of subject control for law enforcement, adult corrections, juvenile justice, security, and military across the nation since incorporating in 1997.

Our unique ability to develop training curriculums and standardizations that integrate into existing programs has time and again exceeded expectations of federal, state, and local government agencies. While retaining our core service of Close Range Subject Control (CRSC) training, Controlled F.O.R.C.E. continues to explore and develop improved methods for cost effectively delivering staff development content.

Controlled F.O.R.C.E. holds a POST / State Approval or equivalent in 27 states, and we have trained law enforcement agencies and academies in over 47 states and internationally. The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system establishes a national standard of subject control training and has been adopted into doctrine, training curriculum, and use of force policy at all levels of law enforcement, corrections, security, and armed forces.

- Controlled F.O.R.C.E. is the only private training organization ever to be contracted by the **FBI Academy** to provide defensive tactics training to its **Physical Training Unit (PTU)** instructor cadre at Quantico (the FBI Academy PTU instructs new agent trainees and National Academy students in defensive tactics and the principles of health and fitness).
- Controlled F.O.R.C.E. developed the CRSC curriculum for **INIWIC** (Interservice Nonlethal Individual Weapons Instructor Course), which represents the Department of Defense (DoD) standard of instructor training in Non-Lethal Weapons tactics for all branches of the U.S. Armed Forces.
- Controlled F.O.R.C.E. developed the CRSC curriculum and corresponding DVD training manual at **Naval Consolidated Brig Miramar** (San Diego, CA) representing the standard of CRSC training for DoD detention personnel.
- The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system is part of the training doctrine at the **DoD Civilian Military Police Schoolhouse** at Fort Leonard Wood, which represents the standard of training for all DoD Civilian MPs stationed worldwide.
- The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system is part of the training doctrine at the **U.S. Army Military Police Schoolhouse** at Fort Leonard Wood, which represents the standard of training for all Army MPs stationed worldwide.
- The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system is part of the training doctrine at the **U.S. Marine Corps Military Police Schoolhouse** at Fort Leonard Wood, which represents the standard of training for all Marine Corps MPs stationed worldwide.

- The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system is part of the training doctrine at the **U.S. Navy Master-at-Arms School** at Lackland AFB, which represents the standard of training for all Navy MAs stationed worldwide.
- The Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system is utilized by **U.S. Air Force Security Forces**, which are responsible for providing site security at Air Force Bases worldwide.
- Controlled F.O.R.C.E. re-wrote the **Collin County Sheriff's Department** (TX) Use of Force Policy to reflect their adoption of the Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system into its curriculum for all Patrol and Detention Deputies.
- Controlled F.O.R.C.E. has been adopted into training curriculum for Law Enforcement Academies nationwide, including **Detroit Police Training Center** (MI) and **Cook County Sheriff's Training Institute** (Chicago, IL).
- Controlled F.O.R.C.E. has been adopted into training curriculum for Adult Detention Agencies across the nation, including **Minnesota Department of Corrections** and **Nevada Department of Corrections**.
- Controlled F.O.R.C.E. has been adopted into training curriculum for Juvenile Justice Agencies across the nation, including the **Alabama Department of Youth Services** and **New Hampshire Division for Juvenile Justice Services**.
- Controlled F.O.R.C.E. has been adopted into training curriculum for State and Federal Agencies nationwide, including **Missouri Department of Natural Resources** and the **Federal Reserve Bank**.
- Controlled F.O.R.C.E. has been adopted into training curriculum for Campus Police Agencies across the nation, including **Michigan State University Police** and **Maricopa Community College Public Safety** (Phoenix, AZ).
- Controlled F.O.R.C.E. has been adopted into training curriculum for unarmed security staff at Major Casino Resort Properties in Las Vegas and across the nation, including **Harrah's Corporation** casinos and **Ameristar** casinos.

## Protectors Trained

Number of Protectors trained as of latest survey in June 2010 (starting from initial certifications issued in August 1997):

- Over **4400 Departmental Instructors Trained and Certified** by Controlled F.O.R.C.E. Corporate Instructors in the U.S. and Canada.
- Over **300,000 law enforcement, security, and military users trained** in the Controlled F.O.R.C.E. Mechanical Advantage Control Holds™ (M.A.C.H.) based system worldwide, including allied military forces.

***Because Controlled F.O.R.C.E. use of force training falls below the established continuum, our programs have never been scrutinized in court.***
